

## Millie Muteti- FRONT END DEVELOPER

Kenyan | 278-20500, Narok Kenya | +254-746-624-359  
milliemuteti@gmail.com|www.linkedin.com/in/millie-muteti

### SUMMARY

Highly skilled and detail-oriented Full-Stack Engineer with a focus on front-end development. With 3+ years of experience designing and developing web applications, I possess a strong understanding of modern web technologies, including HTML, CSS, JavaScript, and popular front-end frameworks such as React. I have a proven track record of delivering high-quality solutions, developing clean and maintainable code, and collaborating effectively with cross-functional teams to achieve project goals. I am passionate about staying up-to-date with the latest trends and best practices in front-end development and am committed to delivering optimal user experiences.

### EDUCATION

- Bachelor of Arts in Urban and Regional Planning, University of Nairobi, 2018-2022
